Niagara Pride Inc. is a 501(c)(3) nonprofit organization serving LGBTQ+ individuals and families.

### What is WNY Shopping With Pride?

With many local Pride celebrations and other summer festivals canceled for the second year in a row, Niagara Pride recognizes that many vendors and businesses will be hurting economically this year. Many local merchants are still feeling the impact that COVID-19 restrictions had on their customer base. Our organization wanted to find a way where we could still celebrate Pride and help to overall community. WNY Shopping With Pride's goal is two-fold, to help LGBTQ+ and ally owned businesses by having customers patron their business, while at the same time raise the needed funds that allow Niagara Pride to carry out our mission of serving Niagara County and the overall WNY community. At the end of the day, we might live in one part of WNY and work or shop in another, but we are all members of the WNY family.
